

REMARKS/ARGUMENTS

This continuation application is being filed to pursue additional patentable subject matter that is disclosed in the application at, for example, pages 23 and 24 and in Figure 10.

The changes to the title of this application and to its specification that are presented herein were also previously made to the parent application. All of these changes were approved by the PTO in the parent application.

All claims are in good condition for allowance. If any small matter remains outstanding, the Examiner is requested to telephone the undersigned. Prompt reconsideration and allowance of this application is requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
